

Secure, Rapid Collaboration for Multi-Agency Law Enforcement Operations

Unite Federal, State, and Local Teams Faster With a Microsoft Mission Platform

Cinq is a secure, cloud-based collaboration and data management platform for multi-jurisdictional law enforcement task forces. It enables operational reporting to improve situational awareness, accountability, and mission outcomes

CROSS-AGENCY COLLABORATION

Use real-time chat, voice, and file sharing to securely communicate and collaborate with federal, state, and local partners.

RAPID ONBOARDING AND ADMINISTRATION

Launch multi-agency teams fast with automated onboarding, secure access, and simple administration—so partners are mission-ready in minutes, not days.

OPERATIONAL DATA AND ANALYTICS

Capture and analyze arrests, seizures, and other operational data using integrated reporting and real-time dashboard features.

Faster Mission Start

Accelerate task force formation with automated onboarding and secure partner access.

Improved Coordination

Real-time communication and shared awareness across agencies and jurisdictions.

Actionable Insights

Use operational data to drive decisions, actions, and keep leadership informed with data-rich dashboards.

Secure by Design

Built on Microsoft security and identity controls trusted by government agencies.

Future-Ready Platform

Expandable capabilities support evolving mission requirements without re-platforming.
