

Respond to Complex Inquiries Faster and More Accurately with AI-Guided Assistance

Accelerate Inquiry Analysis, Knowledge Discovery, and Draft Response Creation

METIS helps agencies analyze inquiries, find relevant source material, and generate context-aware draft responses faster. Using AI, search, and retrieval-based reasoning, it reduces manual effort and improves response quality.

INQUIRY ANALYSIS AND SUMMARIZATION

Read and interpret incoming requests, identify the underlying questions, and reduce manual effort in understanding what must be addressed.

KNOWLEDGE DISCOVERY FROM AUTHORITATIVE SOURCES

Search approved documents, policy records, and organizational data through a knowledge repository built to surface relevant information quickly.

CONTEXT-AWARE DRAFT RESPONSE GENERATION

Use advanced RAG and LLM capabilities to produce precise, grounded draft responses that users can refine instead of writing from scratch.
